

EANS2016

# Abstract Topics

Athens, Greece | September 4-8 2015

## ONCOLOGY

- Low grade tumors
- High grade tumors
- Metastases
- Meningiomas and other extra-axial tumors
- Mapping, monitoring and imaging
- Chemotherapy
- Radiotherapy
- Genetics and pathology markers
- Gene therapy
- Immunotherapy
- Other evolving therapies

## SKULL BASE

- Pituitary lesions
- Craniopharyngiomas
- Intra-axial lesions
- Extra-axial lesions
- Jugular foramen lesions
- Cavernous sinus
- Cranio-cervical junction
- Neurovascular decompression
- Radiosurgery
- Approaches and Reconstruction

## VASCULAR

- Aneurysms
- Arterial-venous malformations
- Cranial and Spinal Fistulas
- Cerebral Ischemia
- Spontaneous Intra-cranial hemorrhage
- Carotid Endarterectomy
- Cerebral revascularization
- Cavernomas
- Moya-Moya Disease
- Pediatric Vascular Lesions
- Subarachnoid Hemorrhage

Abstract Submission is open from December 15, 2015 – April 24, 2016

## FUNCTIONAL NEUROSURGERY

- Movement disorders
- Psychosurgery
- Pain
- Spasticity
- Epilepsy
- Restorative and augmentive surgery
- Other techniques and advances

## TRAUMA

- Traumatic Brain Injury
- Traumatic Spinal Injury
- Pediatric trauma
- Cervical and Cerebral Arteries Dissection
- Sports trauma
- ICU Management
- Multimodality monitoring
- Rehabilitation
- Restorative techniques

## SPINE

- Degenerative diseases
- Deformity
- Aging Spine
- Spinal Oncology
- Spinal injury
- Rehabilitation

## PERIPHERAL NERVE

- Entrapment syndromes
- Tumors
- Trauma
- Repair
- Brachial plexus

Abstract Submission is open from December 15, 2015 – April 24, 2016

## PEDIATRIC NEUROSURGERY

- Oncology
- Cranial congenital diseases
- Spinal congenital diseases
- Fetal surgery
- Pediatric trauma
- Pediatric vascular
- Hydrocephalus
- Cerebellar mutism

## CSF DYNAMICS

- New concepts
- Fetal hydrocephalus
- Pediatric hydrocephalus
- Adult hydrocephalus
- Elderly hydrocephalus
- Normal pressure hydrocephalus
- Endoscopy
- Valves

## RESEARCH

- Trials
- Guidelines
- Outcome measures
- Quality registration

## GENERAL

- History
- Education
- Socio-economics
- Ethics
- Research
- Publication
- Evidence Based Neurosurgery
- Quality of life

Abstract Submission is open from December 15, 2015 – April 24, 2016
